## **WYSA Health Check Questionnaire**

Are you experiencing any of the following symptoms?

- Fever
- Chills
- New or worsening cough
- Shortness of breath
- Sore throat or painful swallowing
- Loss of the sense of smell or taste
- Fatigue, nausea, vomiting or diarrhea

1. Have you been in close contact, in the past 14 days, with anyone who has been confirmed to have COVID-19 or is awaiting test results?
2. Has anyone in your household been told to self-isolate or quarantine in the past 14 days?
3. Have you travelled outside of the country in the past 14 days?

**If you answer yes to any of these questions please stay/go home, email [wssoccer@shaw.ca](mailto:wssoccer@shaw.ca) and call Health Link BC “811” or contact Interior Health for more information:**

- Please follow the directions of Interior Health or your health care provider.
- Many people are being told that their child or a person in the household must isolate BUT they or others can continue to go to work or school and if this is the case you may continue to coach or play as per Interior Health directions.

### **STOP COVID-19**

- Wear a mask where mandatory and when you cannot maintain 2m distance between people.
- Maintain a physical distance of 2m (6 feet) from people outside your household.
- Cover your cough/sneeze with your arm/sleeve.
  - Wash and/or sanitize your hands often & don't touch your face
